

WinShape Stoves

We recently built the two beautiful stoves shown above for the WinShape Foundation at Berry College, Rome, Georgia, USA.

The stove on the right dates from the late 19th century (c1880), the other from about 1910.

*We have between 150 & 200 old & antique stoves in stock in Sweden;
if you would like further details, please ask.*

*If you would like to know more about The WinShape Foundation, please visit www.winshape.com
We built the stoves at WinShape Retreat.*

*The Ceramic Stove Company, 4 Earl Street, Oxford, OX2 0JA. Tel/fax +44(0)1865-245077
